Highest qualification _____

Previous institution _____

Year completed _____

2. Guardian and emergency contact

Guardian / sponsor name _____

Relationship _____

Contact number _____

Email address _____

Emergency contact name _____

Relationship _____

Emergency contact number _____

3. Required supporting documents

Attach a certified ID or passport copy, your school results or highest qualification, proof of residence and two passport photographs. Admissions will confirm any programme-specific requirements.

4. Fees and declaration

Registration and administration: R2,000.00 once off, required before admission. For Basic, Intermediate and Advanced End User Computing, this amount is included in the advertised package total; it is not an additional fee.

Monthly tuition: IT and occupational qualifications R2,500.00; Health, Business and permitted NATED study R1,500.00. Other short courses R2,500.00 per month. End User Computing packages: Basic R5,000.00 for 5 months; Intermediate R8,000.00 for 7 months; Advanced R9,500.00 for 12 months, registration included. These are AIET study plans; complete all prescribed learning and assessment. Books and practical costs are listed by programme category below. Confirm your timetable, intake and complete quotation before paying.

Request the 2027 fee schedule and a quotation for your selected programme before payment. Registration does not replace the programme approval and admissions checks.

I confirm that the information supplied is accurate. I have read the terms below and the fee schedule. I understand that admission depends on the programme requirements, supporting documents and the available intake.

Applicant signature _____

Date _____

Guardian signature (if required) _____

Application terms

1. Admission

Submit a complete application with the supporting documents. Admission depends on review, programme requirements and available space. Submission of a form does not guarantee admission. Ask admissions to confirm the registration and application fee terms before payment.

2. Fees and payment

Pay the fees according to the agreed payment arrangement before attending classes. The current programme fee schedule applies. Confirm the complete quotation and refund policy in writing. Registration fees are non-refundable except where the applicable law or the agreed terms require otherwise. Contact admissions promptly if you cannot meet your payment arrangement.

3. Conduct

Follow the institute's rules and treat staff, learners and facilities respectfully. Misconduct may result in disciplinary proceedings under the applicable policy.

4. Attendance

Maintain at least 80% attendance where required for assessment eligibility. Confirm any additional attendance or workplace-learning requirements for your programme.

5. Safety and protective equipment

Use the required protective equipment, including safety boots and overalls where applicable. Follow workshop and campus safety instructions.

6. Assessment

Complete the required assessments and comply with the assessment rules. Cheating and other assessment misconduct may result in disciplinary action.

7. Withdrawal

Submit a withdrawal request in writing. Ask admissions for the applicable notice requirements, outstanding fees and refund policy.

8. Personal property

Take care of your personal belongings and report safety concerns. These terms do not remove any rights or duties under applicable law.

9. Changes and notices

The institute will communicate changes through its official channels. Keep your contact details up to date and read notices relevant to your studies.

10. Acceptance

Sign the declaration to confirm that you have read the application terms and the current fee schedule. Ask admissions to explain any term you do not understand before signing.
